**Re: CC Docket No. 94-102  
Chariton Valley Communication Corporation, Inc. Petition for Temporary  
Limited Waiver of Section 20.18(f) of the Commission's Rules  
*Withdrawal of Request as Moot***

Dear Ms. Dortch:

Chariton Valley Communication Corporation, Inc. ("CVCC"), by its attorneys, hereby withdraws the above-referenced Petition for Temporary Limited Waiver of Section 20.18(f) of the Commission's Rules, as amended most recently on May 26, 2006 (the "Request"). The Request sought additional time in which to implement Phase II E911 service in Boone County, Missouri in the Columbia, Missouri Basic Trading Area (BTA090). On August 15, 2006, CVCC informed the Commission that CVCC no longer provided interconnected mobile voice services in the Columbia BTA and therefore was no longer required to provide Phase II E911 service in Boone County, Missouri. Accordingly, CVCC's Request for additional time in which to deploy those services is moot.

If you have any questions concerning this matter, please contact the undersigned.

Respectfully submitted,

Gregory W. Whiteaker  
Counsel for Chariton Valley Communication  
Corporation, Inc.
